This is a message from the State Water Resources Control Board

On July 6, 2018, the State Water Board released proposed Plan Amendments for the Lower San Joaquin River and Southern Delta objectives and a proposed Final Substitute Environmental Document, which provided the environmental and other analyses in support of the proposed Plan Amendments. Written comments were due on July 27, 2018.

At its August 21-22, 2018 meeting, the State Water Board began considering the adoption of the proposed Plan Amendments and Final Substitute Environmental Document. Final action on whether to adopt the proposed Plan Amendments and Final Substitute Environmental Document is continued to the November 7, 2018 Board meeting.

Attached to this message is a document, Responses to Oral Comment, which provides additional clarification of issues raised at the August 21-22 meeting.
